Why Choose OFDC

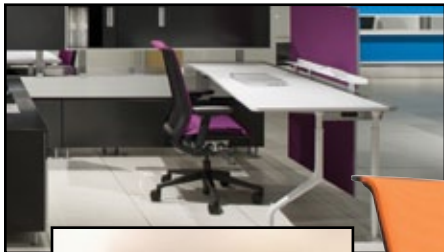

A Single Source For All Your Needs

OFDC delivers more than just quality office furniture!

For your business, we offer the value and convenience of a single-source partner. Our approach combines Design, Furniture, Flooring and Facility Services to create your integrated work space.

The result for you?

- Savings of 10% or more.
- You save time and eliminate the stress of dealing with several suppliers.
- You have peace of mind knowing you are working with a well-established company. Office Furniture & Design Concepts is the only dealership in Southwest Florida that has been locally owned and operated since 1973.

Furniture

Products

Productivity starts with the office environment and the best office environment starts with Office Furniture & Design Concepts. Whether you are furnishing one office or designing an entire facility we have the experience and expertise to create the perfect office environment.

- We have the largest product offering in Southwest Florida! Thousands of products from the world's leading office furniture manufacturers including Steelcase, HON, and OFUSA means you can choose furniture that meets your budget and design preference.
- We are the only dealership in Southwest Florida where customers can visit a 7,000 sq. ft. showroom and see what they are purchasing.
- We also carry Southwest Florida's largest selection of fixtures, fabrics, accessories, and furnishings.

Team

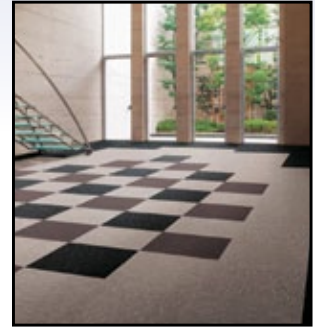

In addition to providing you with great furniture at competitive prices, our office environment experts offer you furniture design, space planning and furniture installation services. To make the process productive and comfortable, we give you our undivided attention from planning through installation.

Commitment

We know it is important to be responsive to our customers. We are the only dealership in Southwest Florida with a full-time service department which means we can respond to your service call within hours.

Flooring

Since our beginning in 1973, we have furnished numerous facilities with floor coverings to enhance the beauty of the space and provide functionality to the environment.

If your remodeling plans include flooring, please let us know. Our staff guarantees that the floor covering you purchase will meet your budget and exceed your expectations for beauty and functionality.

Facility Services

For over three decades, Office Furniture & Design Concepts has responded to our customers needs by adding products and services requested.

While providing our clients' with office furniture or flooring, we have provided various remodeling and office services such as plumbing and electrical work.

We have moved walls, hung doors, and painted our clients offices. We moved furniture, conducted inventory counts and

space assessments, and provided warehousing and relocation management services.

We have created a Facility Services Division to focus exclusively on these kinds of services. If you are purchasing furniture or flooring from us and need to make office improvements, we will provide you with our same reliable service.
